

## Heath M. Voice Actor

### Profile

Passionate and dynamic Voice Actor with years of experience in both theater and voice over in addition to film. I have over thirty years experience behind a microphone as a longtime recording artist. With a spirit of gratitude, I only want to be of service to any project I am a part of. I am a self-starting team player and I am very loyal.

### Employment History

#### Voice Actor at Potchki Audio Chronicles

\*Cast as all the soldiers in a sound redesign project based on Call of Duty WWII video game cinematic.  
\*Build a working relationship with the creator of the project.  
\*Recorded multiple character voices.

## Education

### **Voice Acting Like a Pro, Blumvox Studios**

May 2017

\*This Masterclass of Voice Acting has been at the core of my journey and my training. Learning from one of the worlds premier voice actors from TV, Film and Video Games in Mr Steve Blum. I was honored to win a full year of my tuition based on my talent and contribution to the Blumvox Studios Community.

\*Guest lecturers in most classes have made it a wealth of knowledge from real, working actors and directors as well as producers, agents and content creators.

\*My training with Steve Blum is ongoing.

### **Movie Trailer & Promo Voice-Over Workshop, Jon Bailey - Epic Voice Guy**

November 2020 — November 2020

Work on Trailer and Promo reads with an industry professional.

Receive critique, technique and other pointers to nail my Trailer and Promo auditions.

### **Voice Over for Video Games and Animation, Marc Graue**

November 2020 — November 2020

Great one on one class with Marc Graue, a legend in the video game realm of voice acting.

Covered 4 different scripts and played with the intent of the spots as well as the emotion and background behind the characters.

By the end of class, Marc advised that I was ready and that he would be available if I needed to continue my training.

I want to continue training and doing VO workouts forever.

### **Classroom Audit of Commercial Copy, Marc Cashman Commercials**

November 2020 — November 2020

I was invited to be a fly on the wall of a Marc Cashman Commercials class and I was able to soak up a wealth of information and many tools for my VO toolbox.

Studied the different reads of many students while adding my own style and replicating the copy for my own use.

### **Voice Acting for Animation, Feature Film and Video Games, That's So VO - David Sobolov**

November 2020 — November 2020

### **Commercial Workout Group, Larry Hudson Work Out Heaven**

November 2019 — January 2020

Voice-Over workout group for commercial copy.

We read copy, directed each other and grew our understanding of the script writers intent within the copy.

This is a workout group that I will rejoin in January 2021.

**Voice-Acting for Animation, Everett Oliver, Seattle, WA**

June 2019 — June 2019

In this class with the great booth director Everett Oliver, we explored animation copy and brought those characters to life.

Several characters were available to choose from and we embodied those characters while discovering our unique attributes.

For my participation in class and my character choices at the microphone I was awarded one free one on one session.

**Akkadian Irregulars – Long form Comedy Improv**

June 2019 - Present

Weekly training and exercises with Upright Citizens Brigade style Improv group.

**Audio Ninja – Editing course with Jordan Reynolds**

Developing all of my audio editing skills

**Skills**

Highly Trained Voice

Wide Vocal Range

Different Dialect Ability

Effective Communication Skills

Singer

UCB Style Improviser

**Hobbies**

Family time, Music, Performing,

Coaching, Providing a Service
