

Laura D.

Vocal Range

I have a "real person" voice with quirk, character, and a sense of fun. Bright & dynamic, I voice businesswomen with personality, moms of all dispositions, sarcastic friends, and your trusted best gal pal offering advice & encouragement.

Delivering commercials that spark attention. Explainers with sizzle. Corporate narrations that tell your story. All voiced with heart, authenticity, and interest.

Demos & Skill Set

Commercial, Corporate Narration, Explainer Videos, eLearning (adult & K12), Medical Narration, Telephony, and Character voices. Additional performance skills include on-camera acting, improvisation & teleprompter. Previous experience and training in the high tech industry:

- On-camera actress with credits in TV, film, theater, commercials, and industrials
- Improv - studied at Second City (Chicago) & Highwire Comedy (Atlanta)
- Former corporate IT sales exec, proficient with technical IT concepts & terminology

Home Studio

Delivering broadcast-quality audio files from my home studio, equipped with:

- Rode NT1 microphone
- Steinberg UR12 interface
- Adobe Audition CC
- Source Connect Standard

Training

Training is an on-going business; I'm always striving to improve and expand upon my skills. It's been my privilege to train with some of the top names in the voice over industry, including:

- Commercial – Mary Lynn Wissner, Marc Cashman
- Corporate & Medical – Anne Ganguzza, Kim Handysides, J. Michael Collins
- Character & Animation – Lisa Biggs, Thessaly Lerner
