

CARMAN W.

Professional Summary

Carman is the skilled voice over professional you are looking for. Her vibrant spirit will make you stop what you are doing and listen to what she has to say. She is highly dependable and confident and has strong managerial leadership skills from her military background. These are just a few of the qualities that Carman will bring to your project. Her ethnic background and diversity strengthen her versatility to be the voice over next door, the professor in the classroom, executive in the boardroom, or the teacher on the playground.
