

MIKE C

Voice Actor

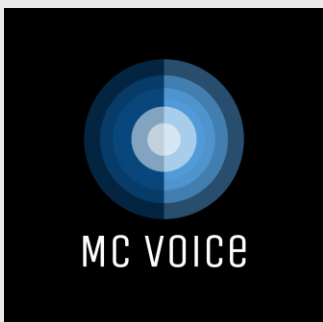

Mike has found his niche in corporate training and medical eLearning narration. He has recorded hundreds of training modules, dozens of audiobooks, telephony projects and over 3,000 commercials for broadcast and internet radio globally.

With more than 35 years of medical and scientific experience, Mike is the voice over expert with projects that involve complex terminology and concepts – instilling a genuine tone, credibility, and clarity.

Mike's clients rave about his vocal consistency and his seamless delivery of high quality pickups year after year.
