

VINCE E

Voice Actor

PROFILE

Vince is a voice actor currently based in the Washington, DC area. Primarily a jazz balladeer, the voice over genre was a natural transition in his career. Vince's deep, rich voice is memorable and lends itself well to a variety of roles. His sense of humor and timing create the perfect comic twist when called for, while his commitment to professionalism and willingness to work minimizes production hours.

HOBBIES

Spending time with family
Watch collecting
Traveling
