

# FEMMIE L.

Voice Over Artist

## PROFILE

In a world that frequently takes itself far too seriously, Femmie is a refreshing alternative to the common voice. Gen-X snark with a Millennial sound, she has the unique ability to draw upon her professional backgrounds of pharmaceutical research, court transcription, and luxury travel sales to give your project a voice that is as vibrant as her signature hair. From Friendly to Ferocious, Flirty to Funny, hear exactly why Femmie is your new Favorite F-Word.
