

National Executive Director

SAG-AFTRA

5757 Wilshire Blvd.

Los Angeles, CA 90036

Dear Sir or Madam:

With this letter I hereby declare myself to be a financial core member (worker) in SAG-AFTRA jurisdiction nationally. I object to that portion of my compulsory SAG-AFTRA dues which is used for non contract related SAG-AFTRA activities.

I make this declaration within the meaning of "Financial Core Membership" as defined and used in the June 29th, 1988 US Supreme Court decision known as CWA v. Beck.

For the record, I am renouncing full constitutional membership and declaring financial core status.

Please inform me as to the exact percentage of full union dues and fees that is directly related to the negotiation, administration, and enforcement of the union contract with my employer(s). And, further, return any advanced dues owed me and charge me the new appropriate amount under compliance with the stipulations mandated by the above-referenced US Supreme Court decision.

Sincerely,
