TECHNICAL SKILLS

I am proficient in audio tracking and editing for VoiceOver. I regularly deliver broadcast-quality audio assets with my professional gear and acoustically treated vocal booth. My main microphone is a Neumann TLM-103 going into a Universal Audio 4-710d Preamp. My Interface is a Universal Audio Apollo Twin MKII, and my main DAW is Ableton Live 11 Suite. I use Izotope RX 10, as well as EQ, De-esser, and Compression for final processing. I use Source Connect Standard with an ISDN Bridge for remote tracking. Word, Pages, Excel, and iMovie for music videos and Food Blog webisodes.

PERSONAL SKILLS

I am fluent in English & Spanish. I have extensive social media practice to help drive engagement for my music projects. I am a highly creative person. I am an extrovert and enjoy talking and meeting new people. I have lots of experience interviewing people and bringing out the best in others. I always welcome coaching and am able to work synergistically within team environments. I love the San Diego community, and regularly enjoy beach life, sailing, kayaking, rollerblading, biking, and yoga.
