Believable, Approachable, Positively Real Age 30-50 American Male Voices

There's a reason super successful brands like Coca-Cola, Dell, Subaru, and Amazon ask Mark to help tell their stories. He's the trusted friend we invite to coffee for advice. He's a down-to-earth husband, dad, and mini-van-driving dog lover — a been-there-done-that kind of guy whose voice invites you along for the journey.
