

DANIEL C.

Voice Actor

Daniel C here! I'm a full-time voice actor based in Phoenix, AZ with short notice ability to be in Los Angeles reliably. I've booked hundreds of jobs across the spectrum of genres, focusing primarily on commercial and interactive. If you need a wry everyman to push the comedic envelope, I'm your guy. Grounded hero? That's me!

I'm here because I've worked too hard to spend the rest of my life doing anything else. There's nothing more rewarding than when I feel the truth of a role and can own it. I could never get that same fulfillment selling toilet paper- trust me, I've tried.
